The Benefits of Awnings

- ✓ **All-Day Shade:** Reliable shade from dawn to dusk for uninterrupted outdoor comfort.
- ✓ **Seamless Indoor-Outdoor Living:** Create a cosy atmosphere by blurring indoor and outdoor boundaries.
- ✓ **Ambient Al Fresco Dining:** Integrated LED lights in awnings for extended summer evenings.
- ✓ **Stylish Outdoor Enhancement:** Add sophistication and charm to any outdoor setting.
- ✓ **Weather Protection:** Durable and sun-resistant for worry-free outdoor enjoyment.
- ✓ **Tailored Excellence:** Premium fabrics and customisable features for a hassle-free experience.
- ✓ **Protect your Interior:** Guard interiors against direct sunlight, shielding your décor and furniture from potential sun damage.
- ✓ **Experience Comfort:** Minimise glare for TV viewing and optimise lighting for home office work.

Working in Partnership

Shuttercraft have partnered with Base, a premium manufacturer of custom awnings. Here's a glimpse into their outstanding craftsmanship.

"Our factory is based in the West Midlands, where our skilled team exclusively assemble awnings, produce awning covers and distribute awning fabric, both by the roll and by cut length.

We offer a wide and comprehensive range of retractable awnings and accessories. Plus in addition, our design service can create personalised and custom-made solutions and we can print your logo on an awning. Achieving a custom finish on your awning has never been easier.

- *Superb product quality supported with 5 year guarantee*
- *Internationally renowned manufacturing partners - BAT, Dickson, and Somfy*
- *Quality awnings with a rapid turnaround"*
